

DOMAINE DE PANISSE

Côtes du Rhône Rouge

'Le Mazet' 2022

The younger generation at Le Clos du Caillou as of 2020 purchased a spectacular property north of the family estate in Courthézon. The winery is made up of a 15th-century farmhouse (the "mas") and cellars, surrounded by some 16 acres of prime Châteauneuf-du-Pape vineyards, in the heart of lieu-dit 'La Janasse' in the far northeast corner of the appellation. With many vines planted in 1924 and terroir that echoes Châteauneuf's finest, winemaker Marilou Vacheron and her brother Axel are more than well-positioned to craft seriously compelling and character-rich southern blends.
