## DISTILLERIA SCHIAVO

### Amaro Felsina

Not far from the iconic town of Bassano del Grappa, the village of Costabissara was where entrepreneur Domenico Schiavo, in the early 1800s, traveled from farm to farm with his mobile still, selling the resulting spirits to regional inns and wineries. His son Giuseppe built the family's first brick-and-mortar distillery in 1887 (some 10 years before Jacopo Poli was founded). Today fifth-generation Marco Schiavo tends the family's stills and produces a range of spirits, in addition to inspired bitters and liqueurs. The family's "cocktail line," called Gajardo, prioritizes sustainably sourced ingredients and natural production methods.
